

Summary

Adult-Gerontology Acute Care Nurse Practitioner practicing Emergency, Pulmonology, and Critical Care Medicine for over 7 years with over 11 years of experience in Nursing. Skilled in management of critically ill adults and serving as a mentor to students and new staff members. Active member of the WellSpan Physician Builders Workgroup and founding member of the WellSpan Chambersburg Critical Care Committee. I am currently studying Artificial Intelligence at Drexel University with a strong interest in Computer Science and a passion for the use of technology to improve healthcare quality and optimize workflows. Additional fields of interest include cybersecurity and interactive game development.

Education

Master of Science in Artificial Intelligence and Machine Learning

Drexel University – Anticipated Graduation March 2026
